

**City of Golden Valley Police Department
Automated License Plate Reader (ALPR) Biennial Audit
Results Report
January 5, 2022**

At the request of the City of Golden Valley Police Department (GVPD), LOGIS has conducted the biennial audit of their Automated License Plate Reader (ALPR) System pursuant to Minnesota Statute §13.824 Subd. 6.

Minnesota Statute §13.824 data elements include:

- Data Collection, Classification and Use Restrictions
- Destruction of Data
- Sharing Among Law Enforcement Agencies
- Log of Use Required
- Biennial Audit
- Authorization to Access Data
- Notification to the Bureau of Criminal Apprehension (BCA)

After analysis of the statutory requirements and evaluation of the City of Golden Valley Police Department's management and use of Automated License Plate Reader technology, LOGIS has found the City of Golden Valley Police Department in compliance with Minnesota Statute §13.824 based on the following findings:

Control #	Statute Subd.	Control Objective	Testing Procedure	Testing Result
1	§13.824 Subd. 2	Data collection; classification; use restrictions	Reviewed GVPD Automatic License Plate Reader Policy G.P.1.33. GVPD provided screen print of sample license plate read showing proper limited collection of data. GVPD provided screen print of license plate data file being pulled only from state of Minnesota. GVPD provided screen print of BOSS ALPR system requiring the requester and case number be entered when searching the plate read database. Interviewed GVPD staff and officers responsible for ALPR system administration.	No exceptions found
